Dear Applicant,

The Governing Body of The Devonshire Hill Nursery and Primary School is seeking to recruit 2 new Co-Opted School Governors to enrich the existing skills mix. Co-Opted Governors are appointed by the governing body based on having the right skills to contribute to effective governance.

We are looking to recruit people who have all the essential and some of the desirable skills that we have detailed on the Person Specification. We are specifically seeking people who have a background or skills and experience in at least one of the following areas;

- Legal Expertise
- Human Resources
- Marketing/Promotion/PR

On the bottom of the School Governance page of the school website there are a number of documents to assist with the recruitment process. These documents explain some of the roles, activities, responsibilities and commitments and will hopefully give you ample background information. The criteria for selecting new governors and a simple person specification listing some essential and desirable skills are amongst these documents.

If you think you have the skills, we are looking for and would like to join the team then please complete the 'School Governor Application Form' that is also available on the School Governance page of the website. Use the personal statement section to detail how your skills match the requirements, why you would like to join the governing body and what you will hope to achieve.

Your completed application form should be sent via email to: admin@devonshirehill.haringey.sch.uk.

We look forward to receiving your application.

Yours sincerely,

Steven Lock
Chair of Governors
