

Both the children and staff have worked incredibly hard this term. Their involvement in such a wide variety of events and activities will have created such an unforgettable close the academic year 2015/16, this has definitely been one to remember! We can not wait to see what the year 2016/17 has to offer.

Good-Bye Miss Fan

We have sadly had to say farewell to Ms Fan our Mandarin Teacher. She has completed her journey at Devonshire Hill and has now safely landed back home in China. Ms Fan had a fabulous time teaching in our school and will always speak very highly of our pupils and how welcome everybody made her feel during her time in the UK. We too were very fond of Ms Fan who has enriched both the minds of our staff and pupils with knowledge of Chinese Language and Culture! We hope to hear from her again very soon! Xiè xiè Ms Fan!

Wakefield Fundraiser

A huge thank-you to everyone who contributed to the Wakefield Fundraiser by coming to school dressed as animals and making your donation which will go to the Wood Green Animal Shelter and United World Schools Charity we raised a total of £160.

Congratulations to the winners of the best dressed:

- R: Vandal & Marcel**
- Y1: Kamelia & Halina**
- Y2: Sudenaz & Kai**
- Y3: Matthew & Rhylee**
- Y4: Ryon, Isabella & Leyla**
- Y5: Jei'la & Tiffany**
- Y6: Sana & Beatrice**

The Queen's Tea Party

Come to school in red, white and blue to celebrate the queen's 90th birthday.

Suggested donation - £1 per child .

FRIDAY 15TH JULY

Amazon Adventures

Year 4 made excellent explorers this week on their trip to Kew Gardens. The children were able to discover the importance of our rainforests and discuss which everyday products originate from these incredible environments. They saw bananas and papaya growing on trees, and learned about the many uses of bamboo whilst amongst the foliage of a real life rainforest.

Food Revolution!

This summer, our pupils have taken part in Jamie Oliver's Food Revolution, aimed at encouraging children to eat nutritious food for a healthier, happier lifestyle. Each class were able to design and eat their own delicious breakfast using a selection of various cereals, fruits and seeds.

Rocket Seeds Update

As the nationwide experiment came to a close our Rocket Scientists were asked to predict which packet of seeds had been to space with Tim Peake. As the seedlings from the blue packet of seeds did not grow as much as those from the red packet, we predicted that it was the blue seeds that had been to space. We received a video message from Tim Peake confirming that it was indeed the blue packets of seeds that he took into space with him. Well done to all of our Rocket Scientists for correctly predicting which seeds were indeed the Rocket Seeds!

Enabling Enterprise– Active Minds

This term our Year 5 pupils were divided into 15 teams to complete their Enabling Enterprise challenge. Once settled on a company name our young entrepreneurs took on the challenge of creating a campaign to promote healthy lifestyle and the importance of fitness to Year 3. By each conducting their own market research, the companies were able to successfully create and advertise their own fitness routines which were later trialed by our tough Year 3 pupils. A vote was cast to nominate the top 3 active companies and their routines. The overall winners were selected by our fitness expert, Mr Adi, who chose **Hearty Health** from Topaz class!

A huge congratulations to all children in Year 5 who worked so hard and made this experience successful and enjoyable. Here are some testimonials from our customers in Year 3:

"You made me feel more energetic!" - Blessing

"You inspired me to be more active" - Christina

"You made my heart beat and my bones strong!" - Jasmine

Eid

Wishing our families celebrating the end of Ramadan a happy Eid festival!

Oliver Production

Year 6 are busy rehearsing for their end of year production of Oliver. They have been singing, choreographing dances, learning their lines, designing scenery and making advertisements.

The production will be performed at 7pm on Monday 18th July. More information about how to obtain tickets for what is expected to be a sell-out performance will follow soon!
